Curriculum Visits/ Assemblies

Have you thought about how lucky you are?

Children in Turquoise class explained that in community week they had focused on Africa.

All the House Teams were thinking about the school and the community just outside the gate, Wendell Park. Turquoise class also focused on Wendell Park being part of a global community. In particular they looked at Africa.

They compared what it was like for the majority of children growing up in Africa with what it was like in England.

NEWS

School Closed Industrial Action Thursday 30 June 2011: one day strike by The National Union of Teachers and Association of Teachers and Lecturers. An assessment has been made. It is assumed that the strike will go ahead and so the school will be closed.

Arts Week Monday 27 June – Friday 1 July

Next week is Arts week. As always Ms Kime has thought up an exciting theme.

This year's arts week is all about the imaginary creatures we encounter in books and stories.

Each class will be creating their own imaginary creature which they will then name and create a story, character profile or poem about.

Children's work will be shown in an exhibition which opens on Thursday 7th July in the ground floor hall. The exhibition will stay up until Thursday 14 June.

What an amazing turn out for the International Food Feast. Thank you all who took part. We had wonderful food from around the world. The Somalian mothers made amazing dishes and we also had food from Iran, Nigeria, Algeria, Thailand, India, Pakistan, a wonderful Danish apple cake and English mince pies. In October, we will have the feast inside and those not contributing a dish can take part for the small fee of £1.

Rain stops Borough Athletics

On Wednesday 22nd June the Wendell Park athletics squad made their way to the Linford Christie Stadium for the annual Hammersmith and Fulham Borough Athletics Tournament. Thirty-three children were to take part in this event-which is the largest number ever from Wendell Park!

Both children and adults were excited and anticipating what a great day this would be. With the weather looking clear and bright Ms Malik's mood could not get any better. The children arrived promptly and motivated. Ms Malik proceeded to give them a 'team pep talk'. This consisted of, congratulating them all for being chosen to take part, recapping on what events they would be competing in and finally, explaining that the word of the day was 'Patience'. They then set off. Although they arrived nice and early they did not manage to secure seats in the Grandstand but that didn't dampen hopes.

The team got off to a fantastic start and by 11.30 the results were as follows:

- Year 5 Girls (Eden, Maryam, Molly and Shanishus) came 3rd in their heat
- Year 5 Boys (Kyron, Trey, Arek and Alfie) came 1st in their heat
- Year 6 Girls (Viktoria, Shessy, Demi and Caitland) came 2nd in their heat
- Year 6 Boys (Viktor, Lucillo, Soren and Connor) came 1st in their heat
- Izzy came 7th in the High Jump
- Eden came 3rd in the Long Jump
- Demi came 4th in the Throwing
- Jaden came 3rd in the Year 3 80m sprint
- Osama came 1st in the 70m sprint
- Naziniyah came 5th in the 80m sprint

Children who had not taken part as yet were looking forward to competing for their school, but as soon as Joshua was sent to compete in Year 4, the heavens opened up. Deryck Fyll who organised the event, was determined to keep the competition going for as long as he could, though when the second set of so called 'showers' came, the track became a health and safety risk. Not only that there was a bunch of cold, wet and miserable children and adults!!

The children who had not competed were devastated and rightly so.

Ms Malik would like to say a HUGE well done to the children who took part and those who just got to support. Thank you also to Miss Morris and the parents for accompanying and supporting.

Well done all! We are waiting for Deryck Fyll to inform us when and where the postponed events will take place- WATCH THIS SPACE!

Ms Malik's thoughts about the PE Year were that we have certainly been reminded that the British weather is very temperamental and short of moving to the Caribbean, carrying an umbrella in case will hopefully suffice.
